DETAILED ACTION

Allowable Subject Matter

Claims 164-174, 180 and 185 allowed.

The following is a statement of reasons for the indication of allowable subject matter:

Chopra ('633) teaches forming a CMP polishing liquid including a film protecting agent (BTA) and a surfactant including an ether. However fails to explicitly teach that the polishing liquid mixture includes water as claimed. Rather Chopra teaches water is applied to the pad and therefore is not part of the mixture as claimed by the Applicant. Dependent claims 165-174, 180 and 185 depend from claim 164 and are hereby rejoined and allowed. Please note that Claim 159 is anticipated by Chopra.

Conclusion

This application is in condition for allowance except for the following formal matters: 159-163, 175-179, 181-184.

Prosecution on the merits is closed in accordance with the practice under *Ex parte Quayle*, 1935 C.D. 11, 453 O.G. 213.

A shortened statutory period for reply to this action is set to expire **TWO MONTHS** from the mailing date of this letter.
